CORE VALUES

Always Think Customer :-

All our people, processes systems, products are focused on Customer needs and requirements . We will deliver best products to customer with best value. That is the reason we do partnership with the groups and promote their business in their area with dedication and optimum involvement in the business for five years.

Best Quality Processes:-

We will have standardized processes that will ensure proper and systematic approach to our customers. The Customer Experience will remain excellent due to our standard operating procedure across our branches lead by the experienced NGOs who are having more than 10 years' experience in this area.

Cost Efficiency:-

We use technology, process and quality control to become one of the most cost-efficient finance companies in the country. The interest rates will be less than existing microfinance lenders or Zero.

Vision

Our Vision is to cater to half million households across India by the year 2020, creating an operational excellence model of finance that is robust and scalable which contributes to Indian growth through entrepreneurial partnership with the low-income groups.

Mission

Our Mission is to provide financial Services to economically weak enterprises in India and thereby, help them to attain better livelihood by motivating mentoring and monitoring them for a period of five years. We will provide the low-income groups business loans, help them on how to make the business profitable and taking the ownership of the business through partnership for five years for their growth.

LIFIEE believes in the concept of the PM Honorable Narendra Modi that a self-reliant India will stand on five pillars viz. Economy, which brings in quantum jump and not incremental change; Infrastructure, which should become the identity of India; System, based on 21st century technology driven arrangements; Vibrant Demography, which is our source of energy for a self-reliant India; and Demand, whereby the strength of our demand and supply chain should be utilized to full capacity. In this way LIFIEE program understands the importance of strengthening all stakeholders in the supply chain to increase, as well as fulfill, the demand.
