

Little  
Knights

SCHOOL

## Hi! I'm BUDDY

The friendly, adventurous and playful character (just like your child). For the last ten years, thousands of kids and parents across the country recognize me as the face of LittleK nights - India's No. 1 Pre-School chain with over 810 Pre-Schools in more than 280 towns & cities across the country. Today, I'll take you on a trip inside Little Knights Pre-School. So, come aboard and discover what makes LittleKnights - The specialist in Pre-School education - the first choice of all discerning parents (like you) and kids alike for over a decade.

Wishing your child a fruitful and fun filled year ahead

Let me begin with the Motto...

Your child's second home

**Last Date for Admission:**

The last date for admissions into the Little Knights programs are as given below:

Program	School commencing by	Last date for admission
PlayGroup	June/April/February	Round the academic year
Nursery	June	31 <sup>st</sup> August
Junior Knights	April	31 <sup>st</sup> August
Senior Knights	February	30 <sup>th</sup> April

**Special Note:**

A child though, can seek admission in the Nursery/Junior Knights/Senior Knights programs after the last date, provided he/she has attended a similar program in another Pre-School and can produce a transfer certificate.

**PARENT RIGHTS**

**Meetings:**

Every parent has the right to demand an individual meeting with the teacher/administrat or any staff member of the Pre-School. It will be the responsibility of the Pre-School to make the staff available for such meeting(s).

**Parents' Inputs:**

Parents are welcome to make constructive suggestions for the improvement of procedures, policies and practices adopted by the Pre-School. But the final decision to implement such suggestions will vest with Little Knights International.

**Information:**

A parent can demand any information pertaining to the operations of the specific Pre-School and about the progress of his/her child. In case of any specific concern/issue, the same can also be brought to the notice of the administrator of the Pre-School.

**'Playing, learning and enjoying every minute:**

that's what, we at Little Knights Pre-Schools, aim to do. Our firm belief is to stimulate the child's imagination by providing them opportunities to grow and develop while reading, writing, listening and playing.

Let me now  
tell you about

# the Programs at Little Knights Pre-Schools

We offer programs that are developmentally appropriate and foster all-round development with an integral approach, helping your child grow physically, intellectually, emotionally and socially.

Our curriculum is packed with real-world, concrete, sensory experiences where the young learners can touch, see, taste, hear and smell, thereby striking an interesting balance between learning and playing.

Little Knights offers both Pre-School and Kindergarten programs.

## ★ ★ PlayGroup ★ ★

**PRE-SCHOOL**

**PLAYGROUP**  
(For ages 1.8 years+)

**NURSERY**

(For ages 2 ½ years+)

**KINDERGARTEN**

**EUROJUNIOR (Jr. Kg.)**  
(For ages 3 ½ years +)

**EUROSENIOR (SR. KG.)**  
(For ages 4 ½ years +)

Our guiding principle for the Play Group program is to help your child master the skills needed to succeed in school and in life. Our program introduces your child to a more structured day with stimulating activities, group interaction and numerous opportunities to be inquisitive as he travels along the path to self-discovery. Children at this age are always 'in the moment' imbibing information through all their senses.

# Little Knights Pre-School Policies

- ▶ **Fees:** The approved fee structure is available at every Little Knights Pre-School vide a FEE CARD. Please contact the admission counsellor for a copy of the same.
- ▶ **Fee collection:** Fees should be paid by a cheque or demand draft favouring LITTLE KNIGHTS only.
- ▶ **Refund:** Little Knights Pre-Schools follow a NO REFUND POLICY. No Amount in part or full will be refunded under any circumstances.
- ▶ **Transfer:** Little Knights Pre-Schools offer the unique facility of transfer which facilitates continuity of fun learning in the 'Little Knight' environment across its vast network in India. Since Little Knights Pre-Schools adopt a differential fee structure across territories, we request you to get in touch with the admissions counsellor and obtain a copy of the Transfer Policy Booklet for additional details.
- ▶ **Welcome Kit:** Every child is entitled to a Welcome Kit at Little Knights Pre-Schools. This kit is given to every child as per the enrolled program at no additional cost. (Details of the Welcome Kit are available at every Pre-School.)

# Little Knights- Appreciation & Admiration Galore!

Here's what some of the proud parents of 'Little Knights' have to say about us:

## PARENT OF SHRADHA, (NURSERY)

Children are naturally curious and my daughter is no exception. The scientific teaching method at Little Knights has been a great boon in quenching her natural curiosity and has also directed it to a more imaginative and constructive direction. She has also become much more social as opposed to the shy toddler that she was. Thank you Little Knights for lending such cooperation and helping in the overall development of my daughter.

## PARENT OF ROSEMARY FERNANDES, (PLAYGROUP)

Though Rosemary was hesitant to go to school on the first day, her fears vanished when she finally spent a day at Little Knights. The colorful ambience, equipment and the friendly staff made her feel extremely comfortable. Rosemary looks forward to going to school each day and even misses it on holidays!

## PARENT OF RUKHSANA ABBAS, (NURSERY)

Rukhsana was always a creative child and I am happy to see that her creativity has bloomed even further, thanks to Little Knights. The curriculum and various activities are designed in a manner that enables a child to grasp concept quickly. I am happy that I made the right choice with Little Knights.

Your words of appreciation  
mean a lot to us!  
We will strive to get better  
with each passing day.

Our curriculum and monthly themes have been based on real-world sensory experiences in order to cater to this need. Your child will spend a major part of his day singing, dancing, laughing, playing and exploring both indoors and outdoors. The monthly themes have been devised to help your child build cognitive, language, motor & social skills and self-esteem. Besides, he will be encouraged to learn, grow and discover at his own natural pace.

# ★ Nursery ★

Our Nursery program teaches essential skills like pre-reading, pre-writing, pre-math, science and social skills in a logical & natural sequence that encourages children to learn one step at a time.

Monthly themes, weekly topics and daily activities keep the curriculum focused and teach key academic skills, while encouraging children to explore and understand the world they live in. The activities encourage curiosity, self-initiative and persistence.

Art, music, dramatic play and social interaction help each nursery child explore creatively and build self-esteem. Each new accomplishment fills these three year olds with pride and the desire to learn more. They realize, "I can do it!" and our nursery readiness program makes it easy and exciting for them to learn. In each of our Fun Rooms, we've developed special areas called "Discovery Areas" which are set up by our teachers as per the curriculum requirements to help your child explore and learn.

ABC's

Little Knight Kindergarten is an extension of your child's quality-learning experience that begins with our Playgroup and Nursery programs, and aims at preparing him for primary school education, thereby ensuring a smooth transition from Pre-School to primary school.

**LITTLE KNIGHT KINDERGARTEN**  
A beautiful, cozy garden where children blossom

At Little Knights, we believe in the true meaning of the word 'Kindergarten' which means 'children's garden'. We feel that children are like flowers, and they too need to be cultivated, watered and cared for. This is made possible through a collective effort from our teachers and all family members against the backdrop of a conducive learning environment.

We understand that at this age, children learn best through 'hands-on experiments and direct experiences'. Hence, our Kindergarten programs have been designed to provide children with ample opportunities to be active learners.

Our focus is on the overall development of children through an integrated learning process. Little Knights Kindergarten is a place your child will look forward to coming each day.

# Value Added Services

## Parent SMS Services

At LittleKnights we offer a Parent SMS Subscription. When you subscribe to this, you will receive regular updates from your LittleKnights Pre-School. Please check the cost of subscription for the Parent SMS facility with your Pre-School.

## These updates can be about:

• SPECIAL ANNOUNCEMENTS • REMINDERS • ALERTS

This service will be active till the time that your child is enrolled with Little Knights Pre-School in a given academic year. In case you wish to stop these updates, you can send us an email to [info@givegloballyfoundation.org](mailto:info@givegloballyfoundation.org).

## Little Knight Book Club Subscription

- Each member receives 6 fantastic books each academic year free
- Each member receives 2 comprehensive book catalogues in a year, which will provide information about delightful books at affordable prices and reviews

Books selected from the catalogue will be shipped to the member's address absolutely free of cost

### Book Club Basics:

One-time club registration and club fee will have to be paid along with annual Pre-School fees.

## Parent & Child Resource Website

It is a novel initiative to offer information, education and entertainment to the child and the parents in an interactive and innovative manner. Every parent will be given a unique USERNAME & PASSWORD to access this website for the current academic year.

The website will have content and resources that will be informative and entertaining. It will have games, articles, tools in interactive format that will not only give joy to the children but also benefit the parents immensely.

# More Offerings

Kindermusik

(Check about Kindermusik with your Pre-School)

Curriculum | Experiences | Classroom | Activities

## ★ Junior Knights ★

In the JuniorKnights program, emphasis is on encouraging children to realize their inner potential while learning and growing at their own pace. Besides, they are motivated to observe and be aware of the environment around them. Stress is also laid on activities that promote language development and instill confidence in the children to verbalize their thoughts, feelings and impressions of the world around them.

## ★ Senior Knights ★

In the Senior Knights program, emphasis is laid on building vocabulary and applying the concepts which the children have already learnt in Junior Knights. Children learn to read and write, using innovative learning methods and tools designed specially for this age group. Complex subjects like Math are taught using a child-centric approach, considering individual capacities. The focus of this program is on enhancing the attention span of the children with a view to accelerate their learning process and prepare them for extensive studies in the future.

# Discovery Areas in a Little Knights Pre-School

## Science & Sensory Area

In this area we help the child with hands-on exploration activities and children learn about basic science concepts using simple materials and experiments.

## Dramatic Play Area

Here, children explore language and social skills by playing and co-operating with each other, acting out events from their daily lives and their vivid imagination.

## Blocks & Manipulation Area

Toddlers develop fine motor skills and coordination by sorting, grouping and balancing blocks. These activities also exercise their creative thinking and problem-solving abilities, besides developing a strong conceptual foundation through hands-on learning experiences.

## Computer Corner

Educational software gives children another fun way to strengthen reading and math skills as they learn the basics of computers.

## Creative Arts Area

Children express themselves imaginatively and build skills and confidence using tools and materials in this discovery area.

## Additional Offerings

In line with our philosophy of "all round development", mentioned below are some non academic programs that enhance your child's learning experience. A healthy mind in a healthy body is something that we are serious about. Today, fitness has taken a back seat given sedentary lifestyle and no outdoor activities. Keeping this in mind, Little Knights launched Little Gym, India's first specialized gymnasium for young children. This facility with imported equipment is fully adjustable and interchangeable. Our trained staff, well-researched programs and excellent student/coach ratio ensure quality attention to each child.

The philosophy of Little Gym can be explained in just one word - G.A.M.E.

**G** Stands for **GROWTH**... mental, physical and emotional growth

**A** Stands for **ACTION**...action that propels the child to newer heights

**M** Stands for the magic of **MOVEMENT**

**E** Stands for the pivotal **ENERGY** resource

## Qualified & Intensively Trained Staff

A lot of attention is paid to the quality of staff employed at Little Knights. Every Teacher at EuroKids is qualified and trained to impart education in a friendly and innovative manner.

## Encouraging Parents' Participation

We have a unique Family Partnership Program whereby the child's family members partner him in the learning process. We send periodic feedback to keep the parents informed about the child's performance in the Pre-School.

## Easy Nationwide Transferability

For those parents whose occupations involve frequent transfers within the country, we offer a very easy and flexible transfer facility to ensure that the child's education is not hampered in the process. Moving itself is such a hassle that getting your child admitted should not be weighing on your mind. Little Knights, with its vast network, is the only Pre-School which can offer this facility across the country.

## Discovery Areas in LittleKnights Kindergarten

## Painting & Collage

This area has been designed to bring your child's creative talents to the fore. It is the canvas on which your child gives expression to his imagination, putting it on paper with sketch pens, colour pencils & paint, and in the process develop sharp eye-hand coordination, fine motor coordination and 'writing readiness'.

## Clay Art & Moulding

It's here that our belief in the 'touch, explore, learn and enjoy' approach of learning is put into practice. Children are given clay and taught to bring their imagination to life using the art of moulding. Further, it also helps children become more expressive, as they generally love to speak about anything they create.

## Computer Area

In today's techno-savvy world dominated by gadgets & gizmos, every child needs to be a self-learner - and the sooner, the better! Once your child gains confidence in recognizing letters and writing on paper, we introduce him to the wonderful world of e-learning.

## Project Work

In line with our philosophy of 'Learning by Doing' we give our young students projects to work on all by themselves. It includes songs, stories, field trips, and demonstrations. Such first-hand experience encourages lateral thinking and boosts the child's confidence.

## Reading & Writing

Listening, speaking, reading and writing together constitute the most basic and important part of a child's learning process. At Little Junior & Little Senior, we ensure that your child is strong with his reading and writing basics. After all, it is the very foundation on which the tall tower of knowledge will stand for a lifetime.

## Math Corner

Math is an integral part of the school day. Basic math concepts are taught in an interesting manner. Simple calculations are combined with a variety of fun experiences from which the child learns to distinguish and classify and observe similarities and differences in the world around him.

★ Little Knights advantages don't end here. We have much more for the discerning parent. Before filling the form, please go through our additional offerings on the other side of the admission form. ★

# The Little Knights Advantages

## Child-friendly Ambience

Located in peaceful, upmarket locations, our Pre-Schools provide an environment wherein children are safe & are nurtured, loved and encouraged to learn.

## Well Researched Curriculum

We have designed a developmentally appropriate curriculum keeping in mind the needs of today's children. Based on the 'Play-Way' methodology, it comprises a wide array of engaging activities that encourage children to become active learners.

## Unique Delivery Method

Like our curriculum, our teaching methodology has also been devised to suit the age group. Over the years, we have perfected the art of first drawing the child's attention and then keeping his mind engaged and make the learning process interesting and absorbing.
