

# Do you Know???

## Why Students Do Abroad Studies?

- ❖ To earn while Learning
- ❖ To have an International Degree and for bright future not secured future
- ❖ To have international Exposure

## Do you know, some of the facts on Students doing abroad studies? What Students Pay During Abroad Studies:

The total investment goes to more than 15 Lac INR, In USA it goes to more than 54 lacs for a general graduate study.

Students do very unproductive Jobs during their study in foreign countries, some of them are:

- 👉 Working in tea stalls/ pizza centres, Hotels as serving boys,
- 👉 Washing Cars / Toilets/ Utensils, Works as hourly paid servants in the Gas Filling stations
- 👉 Students lead a stressful life through out their study if they are not earning anything or getting a job in a foreign country,
- 👉 They become burden to their parents, mostly they get frustration.
